COUNTY COUNCIL OF PRINCE GEORGE'S COUNTY, MARYLAND  
SITTING AS THE DISTRICT COUNCIL

FINAL DECISION — APPROVAL OF DETAILED SITE PLAN

On July 8, 2024, this matter was considered by the District Council, on mandatory review from Planning Board, without any opposition, using oral argument procedures. Having reviewed the record and the Planning Board's decision to approve Detailed Site Plan (DSP) 23012, a request to develop the property with up to 107,122 square feet of building for up to 104,122 square feet of consolidated storage use (plus 1,250 square feet of ancillary office space) and up to 1,750 square feet of retail and/or community space, as well as up to 28 parking spaces designated for RV/camping trailers as an accessory use, on property located on the southwest quadrant of the intersection of Walker Mill Road and Ritchie Road (7.67 Acres; I E / MIO Zones (Prior I-1 / M-I-O Zones), in Planning Area 75A, Council District 6, the District Council finds that the Planning Board's decision is supported by substantial evidence in the record, is not arbitrary, capricious, or otherwise illegal.
