WHEREAS, having reviewed the record, including the hearing testimony and the staff and applicant exhibits; having heard oral argument from the applicant and an oral review of the case by the Technical Staff; and having reviewed the decision and recommendations of the Planning Board, the District Council has determined that the applicant's site plan should be approved with conditions, and modification of certain transit district development standards should be permitted; and

WHEREAS, as the basis for this action, the District Council adopts the decision of the Planning Board as its findings of fact and conclusions of law for this case; and

WHEREAS, to protect adjacent properties and the general neighborhood, the District Council approves this application with conditions.

NOW, THEREFORE, BE IT ORDAINED AND ENACTED:

SECTION 1. The Zoning Maps for the Maryland-Washington Regional District in Prince George's County are hereby amended to show an approved site plan for a bank, with associated parking, on the property that is the subject of Application No. DSP-06030.

S17: To allow more than 33 percent of the frontage of the project, along MD 410 and Toledo Terrace, to have areas of parking and vehicular circulation.

SECTION 3. The approved site plan is subject to the following conditions:

The proposed streetscape along MD 410 shall be extended from the Toledo Terrace intersection along the entire property frontage and connect to the streetscape improvements constructed along the Prince George's Plaza shopping center frontage.
5. The plans shall be revised to indicate that the paving of the sidewalk within the streetscape shall be identical to the paving constructed in the streetscape in front of Prince George's Plaza, in order to provide a continuous appearance to the improvements within the entire streetscape along MD 410.

6. A photometric plan should be submitted to demonstrate a minimum of 1.25 foot candles of illumination for all walkways.

SECTION 4. BE IT FURTHER ENACTED that this Ordinance shall take effect initially on the date of its enactment, and the conceptual site plan shall become effective when the applicant accepts in writing and complies with the conditions in Section 3.
