APPROVED DECK PERMIT 5129-2012-R

A plat of benefits to a consumer only insofar as it is required by a lender or a title insurance company in its efforts to protect its interest in the property. This plat does not provide for the accurate identification of property boundaries, but such identification may not be required for the transfer of title or securing financing or refinancing. This plat shows only those measurements observed during a brief inspection on the date indicated. Possible building setback violations are not fully examined as part of these services. A licensee was in responsible charge in the preparation of this drawing and surveying work reflected herein which was done in accordance with the Maryland State Minimum Standards of Practice for Land Surveyors. No title with or without a license shall be considered valid or used for any purpose until it is paid, as it shall be considered incomplete until such time as the all-around trainee is completed.
