MEMORANDUM

TO: The Prince Georges County Planning Board

FROM: Joe Del Balzo, Subdivision Section

SUBJECT: Preliminary Plan 4-01053
Ballowe Property

This preliminary plan was originally before the Planning Board on September 20, 2001. At the applicant's request, it was continued indefinitely so the applicant could attempt to obtain required state and federal permits. The applicant has not received approval of those permits and the staff recommendation remains the same as found in the attached original staff report.
