**RE:** Preliminary Plan 4-06021, Lamo Property

---

This case was continued from the November 9, 2006, Planning Board Hearing to allow the applicant additional time to work with staff to resolve outstanding issues that involved the loss of a proposed lot. The applicant submitted revised preliminary plans as a means of addressing some of staff's initial concerns regarding the lot configuration, vehicular access and woodland conservation. After reviewing the revised preliminary plans, staff has decided to move forward with the original staff report and recommendation for the elimination of Lot 5.
