MEMORANDUM

TO: The Prince George's County Planning Board

VIA: Jill Kosack, Acting Supervisor, Urban Design Section, Development Review Division

FROM: Andrew Bishop, Senior Planner, Urban Design Section, Development Review Division

SUBJECT: Detailed Site Plan DSP-16025
Alternative Compliance AC-17022
Woodmore Overlook

In a letter dated February 13, 2017, the applicant's representative requested a continuance of the Planning Board hearing date for the above referenced case from March 1, 2018 to March 15, 2018. The continuance is necessary to allow the applicant extra time to update the proposed on-site recreational facilities and respond to the outstanding issues.

The site was posted on January 30, 2018, for the original hearing date, as required by the Prince George's County Zoning Ordinance. The 70-day review period has been waived to March 15, 2018, in order to accommodate the new requested hearing date.

RECOMMENDATION

The Urban Design Section recommends that the Planning Board APPROVE the request for continuance and schedule this case on the March 15, 2018 Planning Board agenda.
