MEMORANDUM

TO: The Prince George's County Planning Board

VIA: Steven Adams, Supervisor, Urban Design Section, Development Review Division

FROM: Meika Fields, Senior Planner, Urban Design Section, Development Review Division

SUBJECT: Specific Design Plan SDP-0506-03
Smith Home Farm

Staff requests a continuance of Specific Design Plan SDP-0506-03, Smith Home Farm, which is scheduled for a Planning Board hearing on June 19, 2014. Late in the review of this application, staff discovered that much of Central Park Drive, which has previously been included in the subject SDP for infrastructure, has been recently deeded to the Prince George's County Department of Public Works and Transportation. A large portion of this roadway is no longer owned by the applicant, and is no longer under the authority of the Prince George's County Planning Board. Furthermore, during the review period, the signs were moved to an area covered by another Specific Design Plan, SDP-1003, and in a location that is in conflict with approved public utility easements. Staff requests a continuance to work through these issues with the applicant and determine the best strategy for moving forward. There is no 70-day limit for specific design plans.

Staff recommends approval of an indefinite continuance. If granted, additional sign posting advertising a future Planning Board hearing date will be required.

RECOMMENDATION

Staff recommends APPROVAL of an indefinite continuance.
