Please contact ppd-gis@ppd.mncppc.org or call (301) 952-3195 if you have any questions.

You received this weekly email because you requested to be notified of recently accepted development activity applications that will be reviewed by the M-NCPPC Planning Department, Prince George's County, Maryland. The email contains accepted development activity applications from the prior business week.

Note: Development applications within the boundaries of the City of Laurel are processed by Laurel's Department of Economic and Community Development and thus will not be included in this notification process. The City of Laurel is within part of ZIP codes 20707 and 20708.

If you wish to change your development activity notification please visit <http://notify.pgatlas.com/> and make the required changes.
