

66-027-25 LaValle House

5013 Huron Street

Daniels Park

Built in 1910, the LaValle House is a two-and-one-half-story, cross-gabled frame dwelling with Victorian decorative detail and bracketed porches. It was built for the family of George H. LaValle, operators of a locally well-known florist business. It was one of the early houses to be built in the 1906 subdivision of Daniels Park.
