

68-004-02 Warren House

4716 Oliver Street

Riverdale Park

Built in 1913, the Warren House is a two-and-one-half-story frame dwelling with an oriel window, dentilled cornice, projecting bays and wraparound porch. It was built for Carrie Warren in the growing residential community of Riverdale Park. One of two houses of this design in Prince George's County, the Warren House is a fine example of late Queen Anne domestic architecture. (See also Historic Site 68-010-02.)
