

68-010-31 Wheelock House

4100 Crittenden Street

Hyattsville

Built in 1905 for Charles C. Wheelock, the Wheelock House is a two-and-one-half-story, cross-gabled Queen- Anne-style dwelling of wood-frame construction, distinguished by its wraparound porch and cove-shingled gables, as well as its prominent location on one of the main streets in Hyattsville.
