

74B-009 B.D. Mullikin House Site (18PR658)

Northeast Crain Highway

Mitchellville

House built circa 1870—The B.D. Mullikin House was a two-story frame house with Queen Anne and Stick-style features and an unusual lattice garden porch. It was built for Beale D. Mullikin on the family property known as Harwood Hall. The house was destroyed by fire in 1991 and archeological investigations were subsequently undertaken.
