

76B-012 Terrett House (Bird Lawn Manor)

3402 Stonesboro Road

Friendly

Built circa 1910, the Terrett House is a two-and-one-half-story, hip-roof frame house of Foursquare plan with two-story verandas on either side. It was built by Alexander Terrett on the Bird Lawn Farm. In 1944, it was sold to Michigan Congressman Frederick Crawford, who carried out an extensive renovation using late-Victorian decorative elements from a Michigan mansion.
