

**81B-007 William H. Townshend House**

**12804 Windbrook Drive**

**Brandywine**

Built in the 1870s, the Townshend House is a large frame dwelling of I-house form, with a flush cross gable on the main south façade. It was built for William Henry Townshend at his marriage and has remained in the possession of the Townshend family since that time. It is unusual not only for its size, but also for its single-family ownership for well over a century.
