

82B-025 Nottingham Archeological Site (18PR18) (NR)

Nottingham

Occupation between 6000 B.C. and 1600 A.D.—This prehistoric site comprises occupation phases from the Middle and Late Archaic periods and a Middle and Late Woodland village. The large Late Woodland component (circa 1550– 1600 A.D.) may correspond to the village of Mattpament indicated on Captain John Smith's 1608 map.
