

83-012 Piscataway Park Archeological Site (NR) (18PR203)

South side of Piscataway Creek

Accokeek

(U.S. Department of the Interior)

Occupation from prehistoric period to the present — Piscataway Park comprises 4000 acres of parkland in both Prince George's and Charles counties, including the Accokeek Creek Site and the National Colonial Farm. It is principally significant for its role in maintaining the historic vista across the Potomac River from Mount Vernon.
