9912 Croom Road

Croom

Built circa 1890, the Blanche Ogle House is a two-part frame farmhouse; it consists of a two-story, side-gabled main block and a later, lower, one-and-one-half-story gabled wing. A porch with bracketed posts shelters the main facade. The house was probably built circa 1890, and was the home for more than 50 years in this century of Blanche Ogle, a teacher in the village of Croom.
