

87B-028 Trueman Point Landing

18610 Trueman Point Road

Eagle Harbor

Trueman Point projects into the Patuxent River at the present location of the Town of Eagle Harbor. Remains of pilings from an old steamboat wharf are visible on the point. Trueman Point Landing served as an important river port for Woodville (Aquasco) farmers throughout the eighteenth, nineteenth, and early twentieth centuries. In 1817, this point was acquired by Captain George Weems, who operated a steamboat company and established a landing here; steamboat traffic continued until circa 1930. Although the landing and warehouse no longer survive, Trueman Point Landing reflects the historic river traffic of Prince George's County.
