

87B-036-20 P.A. Bowen Farmstead (Maplewood Farm)

15701 Dr. Bowen Road

Aquasco

Built circa 1870, the P.A. Bowen house is a multi-section frame dwelling. The two-and-one-half-story side-gabled main block has a bracketed cornice and a wraparound porch with ornate brackets and pendants. The two-story south wing has some of the same Italianate style decorative trim, as well as an unusual parapet roof treatment. The kitchen wing is earlier. The house was built circa 1870 for the family of Philander A. Bowen; outbuildings built at that time and later include a smokehouse, corn crib, dairy barn and tobacco barn. The house was extensively remodeled in 2011 with a new two-story south wing addition and kitchen additions on the north elevation.
