

This is a detailed topographic map of a residential area, likely in the Pacific Northwest. The map features a dense network of streets, including Kingsway, Marquis Dr, Lumar, and many others. Brown contour lines indicate significant elevation changes, with peaks reaching over 2000 feet. A compass rose is located in the top left corner, and a scale bar is in the bottom right corner. The map also shows various landmarks, including a large body of water (likely a lake or reservoir) in the upper right, and several smaller bodies of water (streams or creeks) throughout the area. The map is oriented with North at the top.
