

This figure is a composite image. The main portion is an aerial photograph of a suburban landscape. In the upper left, a large stadium with a red field is visible. A major road, Route 202, runs vertically through the center. To the right of the road, there are several large commercial or institutional buildings. A red dot is placed on a small, undeveloped lot, which is outlined by cyan lines. This lot is situated near the intersection of Truman Drive and Center Way. The surrounding area is a mix of residential housing, parking lots, and some green spaces. In the bottom right corner, there is a yellow map inset. This inset shows a simplified street layout of the area, with labels for 'INTERSTATES', 'HARRY', 'TRUMAN', 'CAMPUS', and 'LARGO'. The red dot and cyan lines from the aerial photo are also present on this map, indicating the specific location of the site within the broader regional context.
