CERTIFICATE OF APPROVAL
THE BOULEVARD AT PRINCE GEORGE'S METRO CENTE
SP-00052

The resolution for the Detailed Site Plan was approved on January 4, 2001 by the Prince George's County Planning Board in accordance with Subtitle 27, Part 3, Division 9 of the Prince George County Code. The official decision of this case is contained in Prin George's County Planning Board Resolution No. 01-04, which con the conditions listed below:

1. Prior to certification, the architectural elevations shall be revised as specify that building materials, color and window are to match those of the existing building.
2. Prior to certification of the Detailed Site Plan, the plan shall be revised to provide for at least 12 secure bicycle parking positions within the site or deemed appropriate by the Trans portation Planning Section and Development Review Divi sion staff.
3. Prior to certification, the Detailed Site Plan shall be revised:
   a. To clearly define the boundaries of the Conceptual Site Plan, included textures, and the lots C and D
   b. To clearly label features which are existing and those that are proposed on both the site sheets and the architecture;
   c. To show the number of trash cans of their locations on Parcels C & D, subject to approval by the Urban Design Review Section;
   d. To show the 65 dBA(Ldn) noise contour, as determined at time of Conceptual Site Plan approval.
4. Prior to Detailed Site Plan certification, a TCPII for Subarea 3 shall be approved by the Planning Board or designee, which is in conformance with TCP 105500.
5. Prior to approval of the Type II Tree Conservation Plan, the location of all off-site woodland conservation shall be identified. If off-site mitigation locations outside of the Anacostia watershed are proposed, the applicant shall demonstrate to the satisfaction of the Environmental Planning Section that due diligence has been made to secure a location within the watershed, and that efforts have been unsuccessful.
6. Prior to the issuance of any permits:
   a. The applicant shall record easements for off-site woodland conservation areas in the Land Record of Prince George's County and shall be provided to the Environmental Planning Section; and
   b. A Type II Tree Conservation Plan shall be prepared or revised and approved for all off-site woodland conservation receiving areas; and

This approval includes:
1. Site Development Plan/Landscape Plan/TCP II
2. Architectural Elevation Plans

Any departure from this plan shall be reauthorized by the Planning Board for approval.

This Detailed Site Plan is valid for 5 years, until January 04, 2006, or as provided for in Sec. 27-287.

Signed: Thomas M. Hewlett
Chairman
Prince George's County Planning Board
